

## Grant DnG access

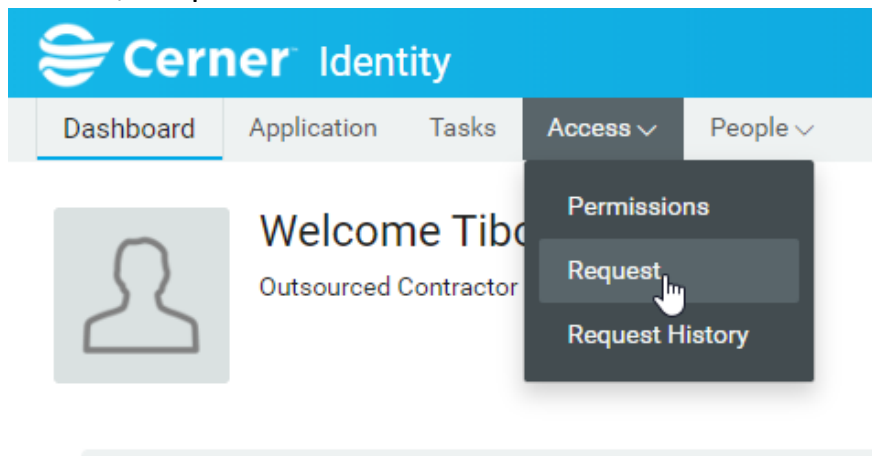

**Step 1: Submit a request to added as a user in the Jazz system**

1. <https://identity.cerner.com/>

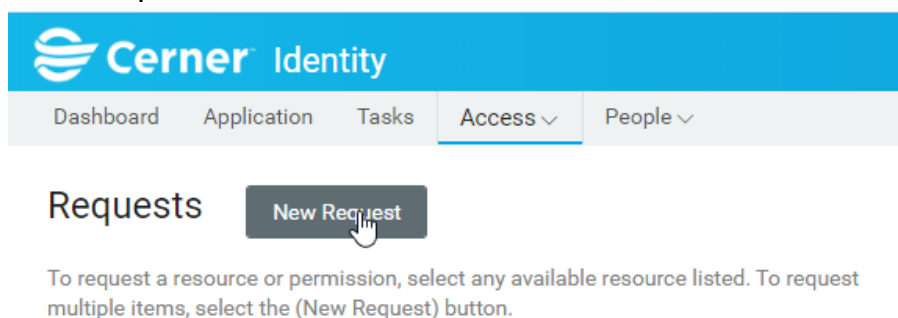

The image shows the Cerner Identity login page. It features a blue header with the Cerner Identity logo. Below the header, there are two input fields: the first contains the text 'TS082992' and the second contains masked characters '.....'. A blue 'Next' button is positioned below the password field, with a mouse cursor hovering over it. At the bottom of the page, a copyright notice reads: 'Copyright © 2019 NetIQ Corporation, a Micro Focus company. All rights reserved.'

2. Access / Request

3. New Request

#### 4. Permission

##### Apply for DnG (JazzUsers)

DashboardApplicationTasksAccess ▾People ▾

### New Request

Request one or multiple permissions in a single request using this form.

9. You can get the following messages

 You have successfully logged into Jazz Team Server but you do not have access to any Projects.

Contact your Jazz Team Server Administrator to learn how to get access.

Return to the [Log In](#) screen.

No worries, it is OK. It is done on your side. 😊
